

**We want coordinated initiatives for sustainable oceans
and marine fishery resource management**

**We want the rights of the fishermen to be guaranteed
we want the social security of their families**

- Include fishermen in 'Bangladesh Labor Act-2006', enact separate law for fisheries
- Ensure the right of fishers to organize, ease trade union formation and registration process
- Form wage board to review and declare the minimum wage in the fisheries sector
- Increase and ensure social security allowance for fishers during fishing ban
- Ensure that all concerned parties take effective measures for regular monitoring and control of piracy and robbery at sea.
- Bring unregistered fishers under registration and confirm their identity cards, update the list regularly.
- Ensure that the necessary information of the fishermen going to sea is recorded and stored, including the name of the vessel owner
- Ensure compensation for the families of deceased and missing fisheries workers

**We want coordinated initiatives for sustainable oceans
and marine fishery resource management**

**We want the rights of the fishermen to be guaranteed
we want the social security of their families**

- Take effective measures to prevent destruction and degradation of fish habitat
- Initiate credit and savings schemes by the government for the welfare of the fishing community
- Ensure proper implementation of international standards for this sector, starting with the country's prevailing laws, rules, and policies
- Implement maritime laws and ratified conventions
- Introduce services to complete the registration procedures at the local level
- Increase the welfare activities of the welfare fund of Bangladesh Fisheries Development Corporation
- Ensure fishing boat registration, fitness testimonials, fishing licenses, insurance, as well as supply of radio and lifesaving life buoys
- Ensure a tripartite dialogue between employers, workers and the government for the overall development of the fisheries sector
